

Instructions for patients & visitors

- Doctors are helping you. Please cooperate with them. Wait for your turn. The priority is for the emergency cases.
- Explain your sufferings in a cool manner to get good diagnosis & care
- Medicines can harm health if misused. Leave the decision to the doctor.
- The doctor is not responsible for shortage of medicines & supplies.
- Violence against doctors is an unacceptable & uncivilized behaviour.
- Take your rights through law, there is no place here for tribal penalty
- All your complaints & opinions via inquiry box will be considered.
